Checkers and Rally's Summer Internship Program 2025 For Recents Graduates

Description

If you are interested in gaining hands-on experience in the fast-food industry, Checkers and Rally's Internship in Tampa is the perfect opportunity for you. This exciting internship program offers valuable training in various aspects of restaurant management, with guidance from industry experts.

Responsibilities

As a Checkers and Rally's intern, you will work closely with the store management team and gain experience in a variety of areas, including operations, customer service, and quality control. Your responsibilities may include:

- Assisting with restaurant operations, such as food preparation and handling cash
- Ensuring high levels of customer satisfaction by providing fast, friendly, and accurate service
- Participating in store promotions and events to increase sales and customer engagement
- Maintaining the cleanliness and safety of the restaurant environment
- Learning about food quality control and adhering to health and safety regulations
- Assisting in inventory management and stock replenishment

Qualifications

To be considered for the Checkers and Rally's Internship program, you should meet the following qualifications:

- Enrolled in a college or university, preferably pursuing a degree in hospitality, food service, or a related field
- Strong communication and interpersonal skills
- Ability to work in a fast-paced, team-oriented environment
- Availability to work flexible hours, including evenings and weekends
- Passion for the fast-food industry and willingness to learn

Job Benefits

As a Checkers and Rally's intern, you will receive comprehensive training and guidance from experienced professionals in the fast-food industry. In addition, you will enjoy the following benefits:

- Competitive compensation
- Opportunities for career development and advancement
- Access to employee discounts on food and merchandise
- Networking opportunities with industry professionals
- Exposure to the latest trends and technologies in the fast-food industry
