CIA Summer Internship Program 2025 In Washington For Students

Description

The CIA (Central Intelligence Agency) Internship in Washington provides students with a unique opportunity to gain valuable experience in intelligence and national security while working at the CIA headquarters in Langley, Virginia. The internship program is designed to offer students a comprehensive understanding of the agency's mission and operations.

Responsibilities

Interns in the CIA Washington program will work on a range of projects and tasks, depending on their assigned department. Some of these responsibilities may include conducting research and analysis, assisting with operational planning and execution, creating reports and presentations, and participating in meetings and briefings.

Qualifications

To be considered for the CIA Internship in Washington, applicants must be currently enrolled in a college or university program and have a minimum GPA of 3.0. They should also have a strong interest in intelligence, national security, and global affairs, as well as excellent analytical, communication, and critical thinking skills.

Job Benefits

The CIA Internship in Washington offers interns a unique opportunity to gain valuable experience in intelligence and national security while working alongside experienced professionals in the field. Interns receive a competitive salary and benefits package, including healthcare, retirement, and time off. They also have access to various training and development opportunities to enhance their skills and knowledge.

Overall, the CIA Internship in Washington is an excellent opportunity for students interested in intelligence and national security to gain hands-on experience and make a positive impact on the safety and security of the United States.
