Financial Representative Fidelity Internship Summer 2025

Description

Are you interested in exploring the world of finance and want to work with a reputable financial firm? Then, Fidelity Investments is the right place for you! Fidelity Investments is one of the largest asset management firms in the world, with more than \$7.3 trillion in client assets under management. This summer, Fidelity Investments is offering an internship opportunity in Boston for those who are looking to start a career in finance. Read on to learn more about this exciting opportunity.

The Fidelity Investments Internship Program is designed to provide interns with hands-on experience and exposure to the financial services industry. As an intern, you will be working alongside experienced financial professionals and will be involved in various projects related to the company's core business operations. The program is a 10-week summer internship, starting in June 2024 and ending in August 2024. This internship opportunity is based in Boston.

Responsibilities

As an intern at Fidelity Investments, you will be responsible for:

- Assisting in the development and implementation of financial strategies for clients
- Analyzing financial data and creating financial models
- Preparing presentations and reports for clients and colleagues
- Participating in team meetings and contributing to group discussions
- Collaborating with various departments and stakeholders within the company

Qualifications

To be eligible for the Fidelity Investments Internship Program, you should:

- Be currently enrolled in an accredited college or university pursuing a degree in finance, economics, accounting, or a related field
- Have a minimum GPA of 3.0 on a 4.0 scale
- Be able to commit to the 10-week internship program
- Have strong analytical and problem-solving skills
- Be a self-starter and able to work independently as well as in a team environment

Experience

Previous experience in finance or related fields is not required, but it is preferred. However, candidates who have participated in relevant extracurricular activities, such as investment clubs or finance-related competitions, will be given priority consideration.

Skills

The ideal candidate for this internship should possess the following skills:

- Strong analytical and problem-solving skills
