

## Internships At Morgan Stanley 2025 Sales & Trading Off-cycle Internship

### Description

If you're passionate about finance and eager to gain practical experience in sales and trading, consider applying for an off-cycle internship with Morgan Stanley in New York. This program offers a unique opportunity to work alongside experienced professionals and develop valuable skills in the dynamic world of finance.

### Responsibilities

As a Sales & Trading Off-Cycle Intern at Morgan Stanley, you'll work on real projects and gain hands-on experience in the following areas:

- Assisting in the execution of sales and trading strategies
- Conducting market research and analysis to identify opportunities
- Participating in client meetings and presentations
- Providing support to senior traders and salespeople

### Qualifications

To be considered for the Sales & Trading Off-Cycle Internship at Morgan Stanley, you must meet the following requirements:

- Currently enrolled in an accredited college or university
- Pursuing a degree in finance, economics, or a related field
- Able to commit to a full-time internship during the off-cycle period
- Must be eligible to work in the United States

### Experience

While prior experience in finance is not required, it can be beneficial. Relevant experience may include:

- Previous internships or work in the financial industry
- Participation in finance-related projects or coursework
- Familiarity with financial modeling and analysis tools and techniques

### Skills

To succeed in a Sales & Trading Off-Cycle Internship at Morgan Stanley, you'll need a combination of technical and interpersonal skills. Some essential skills include:

- Strong understanding of financial concepts and markets
- Familiarity with financial modeling and analysis tools and techniques
- Strong problem-solving and analytical skills
- Excellent communication and collaboration skills
