## KPMG Summer Internship Program 2025 For UnderGraduates

### Description

Are you looking for an opportunity to kick-start your career in the field of accounting and finance? KPMG, one of the world's leading professional services firms, offers an exciting internship program in London, providing a valuable experience for aspiring accountants and finance professionals.

KPMG's internship program in London is designed to give students and recent graduates a taste of the real world of accounting and finance. During the internship, you will have the opportunity to work with professionals from different teams and departments, gaining hands-on experience in various aspects of accounting and finance.

### Responsibilities

As an intern at KPMG in London, you will be assigned to different teams, where you will work on various projects and tasks, such as:

- Conducting research and analysis on financial data
- Assisting in the preparation of financial statements and reports
- Participating in meetings with clients and team members
- Contributing to the development of innovative solutions for clients
- Learning and using different software and tools to support accounting and finance activities

### Qualifications

To be eligible for the KPMG internship program in London, you should meet the following requirements:

- Be enrolled in an undergraduate or graduate degree program in accounting, finance, economics, or related fields
- Have a minimum GPA of 3.0 or equivalent
- Have strong analytical and problem-solving skills
- Be a team player with excellent communication and interpersonal skills
- Be proficient in English, both verbal and written

### Experience

While prior work experience is not required, any relevant experience in accounting or finance, such as internships or part-time jobs, would be an advantage.

### Skills

Throughout the internship program, you will develop and enhance your skills in:

- Financial analysis and reporting
- Project management and organization
- Communication and presentation
- Critical thinking and problem-solving
- Teamwork and collaboration
