Point72 Internship For Students – Apply Now 2025

Description

Are you a driven and ambitious student eager to kickstart your career in finance? Point72, a leading global asset management firm, is excited to announce internship opportunities for talented and motivated individuals like you. As a Point72 intern, you will have the chance to work alongside industry experts, gaining hands-on experience and exposure to the dynamic world of finance.

Responsibilities:

- Collaborate with experienced professionals on real-world projects and tasks.
- Conduct market research and analysis to support investment decision-making.
- Assist in portfolio management activities, contributing to the overall success of the team.
- Participate in meetings and discussions, learning from and engaging with seasoned professionals.
- Utilize and enhance your analytical skills to solve complex problems in a fast-paced environment.

Qualifications:

- Currently enrolled in a Bachelor's or Master's degree program.
- Strong academic performance in finance, economics, or a related field.
- Passion for the financial industry and eagerness to learn.
- Excellent analytical and quantitative skills.
- Effective communication and teamwork abilities.

Skills:

- Proficient in Microsoft Excel and other relevant financial tools.
- Strong attention to detail and accuracy.
- Ability to adapt quickly and thrive in a dynamic environment.
- Solid interpersonal and communication skills.

Experience:

No previous professional experience is required; however, any relevant internships, coursework, or personal projects related to finance or investment will be considered an asset.

Benefits:

- Competitive stipend and potential for future full-time employment.
- Mentorship from experienced professionals in the finance industry.
- Networking opportunities with colleagues and industry leaders.
- Exposure to various aspects of asset management and finance.
